Presented by: **Grace Wills**

Outline

- **Project Overview**
- **Brand Overview**
- **Competitive Landscape**
- **Target Audience**
- **Campaign Goals**
- **Schedule**
- **Strategic Plan**

Project Overview

LinkedIn Media Campaign

WHAT IS THE PROBLEM?

Optony has **low brand recognition** amongst potential clients in the clean energy services industry.

WHY ARE WE ADDRESSING IT?

Investing in Optony's brand recognition via LinkedIn will lead to an **increase** in **targeted audience outreach**, support **lead generation** while increasing **engagement** and **network growth**. This in return will increase Optony's **awareness**, thus giving the company more **value**.

HOW DOES THIS PROBLEM ALIGN WITH LINKEDIN POSTINGS?

The marketing outreach challenge aligns well with LinkedIn's strengths in building **professional brand presence**, establishing **industry authority**, and fostering **thought leadership**, **networking**, and **business development**. Leveraging these features through a LinkedIn media campaign will help **elevate** Optony's **brand visibility** and **credibility** among current and prospective clients in the clean energy sector.

Brand Overview

Optony at its core...

Pitch

“At Optony, we help cities, schools, and organizations turn clean energy goals into real-world impact. Through expert strategy, agile planning, and innovative solutions, we design and deliver sustainable energy systems that uplift communities and strengthen infrastructure. We don’t just consult—we build momentum toward a cleaner, more resilient future.”

Tagline

“Start your clean energy journey with Optony - where strategy meets execution.”

Values

Innovation, agility, strategic thinking, community impact, problem-solving, sustainability
